About this document

This document contains information about issues that were encountered during deliveries of this course. These issues will be addressed in subsequent updates of the material.

You should review this document before the start of class, and use this list as the first point of reference if issues arise.

Exercises Guide items

General exercise information, p. xiv: *Using the product documentation*

Issue:

The paragraph incorrectly states:

To access the local documentation, you must first start it by clicking: **Start > All Programs > IBM > Decision Server Insights V8.7.1 > Help and Support > Start Information Center (local).**

Correction:

The paragraph should state:

To access the local documentation, you must first start it by clicking: **Start > All Programs > IBM > Operational Decision Manager V8.7.1 > Help and Support > Start Information Center (local).**

Exercise 8: Writing and testing rules, Section 2.3, Deploying the solution to the map tool and Section 3, Testing the solution

Issue:

The Map Viewer tool is configured to use a server that is no longer available. For this reason, the steps in Section 2.3 and steps 4-6 of Section 3 cannot be completed.

Solution:

Skip Section 2.3 and steps 4-6 of Section 3.

Student Notebook items

None reported.

Course presentation items by unit

None reported.
